Amber Tavern usually 2 real ales

# Prescot Town Centre Real Ale Pubs

A walk around Prescot Town Centre. All the pubs are basically on the 10A bus route so you can start at either end and work your way round. You may also want to try some of the non real ale pubs on your route. The Hope and Anchor is near the Old Mill and Tommy Halls is between the Watchmaker and Royal Oak. There is also the Red Lion near the Deane's House.
